Izell White, Vice President of Human Resources and Member Relations for Jackson Purchase Energy has been appointed to the Kentucky Society for Human Resource Managers board. White has previously served as secretary and currently serves as president of the local chapter of SHRM.

White's term on the state board will begin in January. She will step down as local chapter president at the end of this year when her term expires.

"Izell embodies the cooperative principles. She is very involved in our community. She is active in her church as well as professional organizations such as SHRM and area Chambers of Commerce." Said Kelly Nuckols, President/CEO of Jackson Purchase Energy.

White began her career at JPEC as a benefits coordinator in the Human Resources Department. She was promoted to manager of Human Resources and then tapped to serve as Vice President of Human Resources and Member Relations. She recently celebrated her 20th anniversary with JPEC.

Jackson Purchase Energy is regional electric cooperative serving nearly 30,000 member-owners in six counties of far western Kentucky.
