Jackson Purchase Energy's 2007 Annual Meeting of the Membership will be held at the Carson Four Rivers Center Tuesday, June 5. Registration for the meeting will begin at 4:30 p.m. The business meeting will begin at 6 p.m. and last about one hour.

JPEC members will have the opportunity to learn more about the company they own. As a cooperative, each JPEC customer is a member with an equity position in the company. This equity position, gives JPEC members the right to have a say in how the company is operated.

Business at this year's event will include details on the financial position of the company and an update on JPEC's accomplishments in the last year by JPEC board members and JPEC President/CEO G. Kelly Nuckols.

In addition to the business portion of the meeting, scholarship recipients and youth tour participants will be introduced. Each year as part of JPEC's Power To Students Campaign, the company awards scholarships to area high school seniors and gives an opportunity for high school juniors to learn more about our government by traveling to Frankfort, KY and Washington, D.C.

This year, JPEC awarded six \$1,000 Power To Students Scholarships to Kyle Johnson and Morgan Joiner, Marshall County High School, Laura Knott, Heath High School, Ross Martin, Carlisle County High School, and Amanda Pittman and Heather Williams, Ballard Memorial High School.

This year's youth tour participant is Erin McDowell from Christian Fellowship.

Jackson Purchase Energy is a regional electric distribution utility serving more than 28,000 member-owners in six counties of far western Kentucky.
